LIFEHOUSE

The Vision is Growing

BUILDING TOWARD THE FUTURE GOD HAS PLACED BEFORE US

We are moving forward with fundraising and grant planning for LifeHouse Restoration Center, with a goal to begin building by 2028. Thank you for helping us prepare for a place where women can find restoration, hope, and a new beginning.

Capital fundraising takes time. Grant applications, review cycles, award decisions, and the release of funds do not happen quickly. Even when an opportunity looks promising, funding is not immediately available. We are preparing carefully for the steps ahead.

Patience is one of the hardest parts of this process, but our confidence in the project remains strong. We are encouraged by feedback that LifeHouse is a strong fit for current funding opportunities and by the encouragement we have received through Capital for Compassion.

CAPITAL GRANTS MAY HELP US BUILD A BUILDING. MONTHLY PARTNERS HELP US BUILD THE MINISTRY THAT WILL FILL IT.

WHERE WE ARE NOW

- Land donated
- Funding strategy underway
- Construction estimates being developed
- Major grant opportunities identified
- Preparing for 2027 applications

OUR GOAL:
BEGIN BUILDING BY 2028

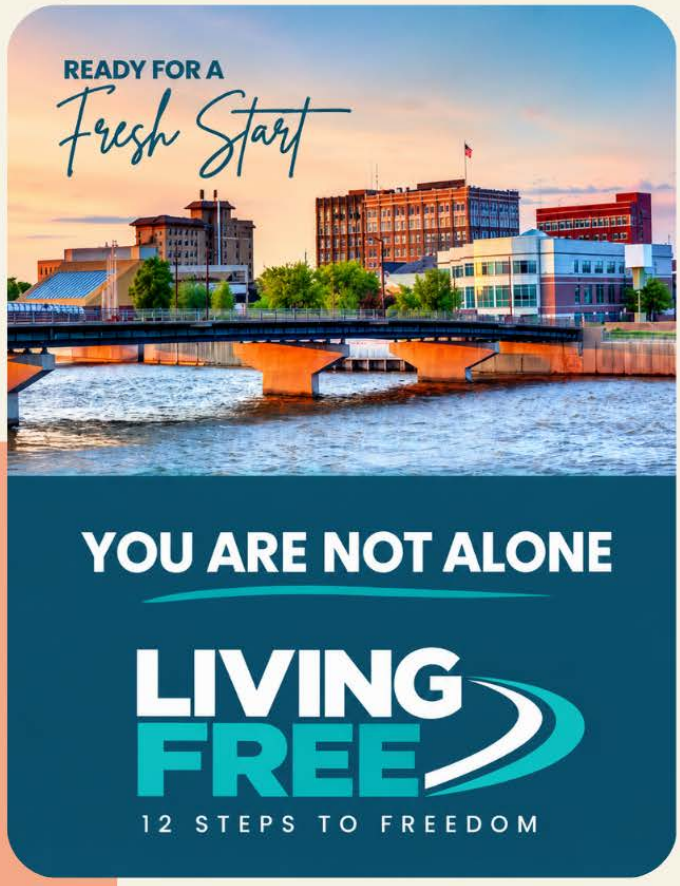

Ministry Happening Now

LIVING FREE: STEPPING INTO FREEDOM

This October, we are launching **Living Free**: *Stepping Into Freedom* groups in Waterloo and Cedar Rapids. These groups help men and women take steps toward freedom from addiction and other life-controlling issues, with encouragement and support along the way.

WHY WE NEED YOU NOW

The ministry is growing, and so is the scale of our work and the overhead required to sustain it. The work of LifeHouse is happening now, while we prepare for a future building. Reliable monthly support helps us plan responsibly and keep moving forward.

Will you become a monthly partner? If you already give each month, would you prayerfully consider increasing your support? Your faithful giving helps sustain the ministry today and prepare for the women LifeHouse will serve.

How you can Pray

- **For the launch of Living Free in both communities**
- **For the men and women attending to find freedom and hope**
- **For favor in grant applications and funding decisions**
- **For new and continuing monthly partners**
- **For wisdom, patience, and the future of LifeHouse**

"Hi I just wanted to let you know I had my final court hearing today and my case has been closed! My other case is still open but I don't have to appear for it anymore. As long as I pay the rest of my fines which is only like $100, the case will automatically close Dec 4th. I just keep thinking about when I first got to Lifehouse and how overwhelmed I was with those cases and I was convinced that all the damage I had done to my life was beyond repair and now here I am less than 3 years later with a whole brand new life 😊. And what he didn't make new he completely restored instead! He is so amazing. It is still so surreal to me sometimes. I hope you and Tim know how much I love you! I know God used you both to save my life."
